East GTA FHG

#601-520 Ellesmere Road, Scarborough Ontario M1R 0B1

General overarching learning objectives:

- 1: to review what is new in the treatment of common illnesses and conditions;
- 2: to review what is still really relevant and important in the current treatment recommendations;
- 3: to update on new and changed management of patients for the conditions;
- 4: to apply best guideline practice recommendations into routine clinical practice based on specific patient characteristics.
